The onset of spring usually signals a calling to all road cyclists that it's time to get off the indoor trainer - or the couch - and start taking advantage of the next eight months of great riding weather. One of the first rides of the season is the Assault on the Carolina's. This ride is in its 11th year and we expect over 600 riders this year. This is a benefit ride for the Pisgah Forest Rotary Club with all proceeds benefiting local charities. Thanks for your support!!
